

HEALTH REQUIREMENTS FOR SCHOOL ENTRY – All Grades

Physical Examination and Health History

Rhode Island law requires that all students entering **kindergarten, grade 7, grade 12, and all newly enrolled and out-of-state transfer students**, must show evidence of a **health history and physical examination** conducted in the 12 months preceding the date of school entry, or completed within 6 months after entering school. The RI School Physical Form can be located on the [Health Services](#) page found on the Barrington Public Schools District Webpage, under Support Services.

IMMUNIZATION REQUIREMENTS FOR SCHOOL ENTRY

physical exam & health history		physical exam & health history		physical exam							
lead screening		lead screening									
		vision screening									

* A signed note by a doctor stating that the child has a history of chickenpox can meet the requirement for varicella immunizations.

**Per recent ACIP recommendations, adolescents 9 - 14 years of age need 2 doses of HPV vaccine for series completion, and adolescents 15 - 26 years of age need 3 doses for series completion. RIDOH school immunization requirements: Ninth graders who start the HPV vaccination series before 15 years of age will be required to have 2 doses. Ninth graders who start the series at 15 years or older will be required to have 3 doses.

Lead Screening: According to RIDOH, all children entering **pre-K and kindergarten** are required to provide documentation of lead screening prior to school entry.

Vision Screening: According to state law, all children entering **kindergarten** are required to provide documentation of a vision screening prior to school entry. It can be performed by a physician during a regular well visit or by an eye doctor.

YOUR CHILD MAY NOT ENTER SCHOOL WITHOUT PROOF OF IMMUNIZATIONS
